# OVERVIEW

## Dashboard

summary metrics on the sector, with commentary on market momentum by comparing the most recent 12-month performance against the last 3-year averages

## Public Basket Performance

summary valuation and operating metrics for a basket of comparable public companies

## Valuation Comparison

a more graphical, detailed comparison of valuation multiples for the public basket

## Recent Deals

the most recently announced sector deals

## About Us

7MA provides Investment Banking & Advisory Services to the Business Services and Technology Industries globally.

We advise on M&A and private capital transactions, and provide market assessments and benchmarking. As a close knit team with a long history together and a laser focus on our target markets, we help our clients sell their companies, raise capital, grow through acquisitions, and evaluate new markets.

## Sectorwatch

We publish sectorwatch, a review of M&A and operational trends in the industries we focus.

## Let us know if we can help

Contact us if there are ways we can assist your M&A or financing strategy.

# DASHBOARD

## Revenue Growth Momentum

↓ -0.8%

1 - year revenue growth compared to revenue growth average for last 3 years  
Current revenue growth rate is less than the average of the last 3 years, indicating that the market may be flattening or declining

## Pricing / Gross Margin Momentum

↓ -1.2%

1 - year gross profit % compared to gross profit % average for last 3 years  
Current gross profit margin is less than the average of the last 3 years gross profit margins, indicating customer pricing power

## Profitability Momentum

↑ 0.9%

1 - year EBITDA % compared to EBITDA % average for last 3 years  
Current EBITDA margin exceeds the average of the last 3 years EBITDA margin by this amount, a condition that may attract new entrants
