Overview

7MA provides Investment Banking & Advisory Services to the Business Services and Technology Industries globally.

We advise on M&A and private capital transactions and provide market assessments and benchmarking. As a close-knit team with a long history together and a laser focus on our target markets, we help our clients sell their companies, raise capital, grow through acquisitions, and evaluate new markets.

We publish our sectorwatch, a review of M&A and operational trends in the industries we focus.

DASHBOARD

- Summary metrics on the sector
- Commentary on market momentum by comparing the most recent 12-month performance against the last 3-year averages.

PUBLIC BASKET PERFORMANCE

- Summary valuation and operating metrics for a basket of comparable public companies.

VALUATION COMPARISON

- Graphical, detailed comparison of valuation multiples for the public basket.

RECENT DEALS

- The most recently announced deals in the sector

Dashboard

REVENUE GROWTH MOMENTUM ↓ -1.2%

1 - year revenue growth compared to revenue growth average for last 3 years - Current revenue growth rate is less than the average of the last 3 years, indicating that the market may be flattening or declining
